Experience

APRIL 2022 - PRESENT
Dotnet Developer | IME Ltd. | Panipokhari, Kathmandu

Collaborated with cross-functional teams to design and implement RESTful APIs for a large-scale fintech platform. Developed SOAP-based integrations with third-party services, ensuring seamless data exchange. Created and maintained ASP.NET web forms and MVC web applications, enhancing user experience and streamlining business processes. Designed and optimized SQL Server stored procedures, views, and functions for complex data retrieval and manipulation. Integrated IoT devices into existing applications, enabling real-time data collection and analysis. Conducted code reviews and mentored junior developers, fostering a collaborative and growth-oriented environment.

DECEMBER 2021 – MARCH 2022
Dotnet Intern | Swift Technology Pvt. Ltd. | Panipokhari, Kathmandu

I had the privilege of working at an esteemed company where I not only gained technical skills but also imbibed invaluable work ethics. During my internship, I gained hands-on experience in C# development, ASP.NET Web Forms, ASP.NET Core, Microsoft SQL Server, jQuery, and front-end development. My project included creating responsive and user-friendly interfaces, optimizing database performance, and building robust backend systems.
